PROFESSIONAL SUMMARY

Computer Science undergraduate pursuing a Bachelor of Technology in Computer Science and Engineering with a Diploma in Computer Science and Engineering. Passionate about software development, backend development, and artificial intelligence. Familiar with Python, Java, SQL, Flask, MySQL, HTML, CSS, Git, and software development practices through academic projects and internship experience. Eager to contribute to real-world software solutions while continuously learning new technologies.

EDUCATION

KIIT University

Bachelor of Technology in Computer Science and Engineering

Bhubaneswar, Odisha

July 2024 – Expected June 2027

KIIT Polytechnic

Diploma in Computer Science and Engineering

Bhubaneswar, Odisha

2021 – 2024

– **Percentage:** 71.57%

TECHNICAL SKILLS

Programming Languages: Python, Java, C, C++, SQL

Database: MySQL

Web Technologies: HTML, CSS, JavaScript, Flask

Tools: Git, GitHub, VS Code, MySQL Workbench

PROJECTS

Smart First Aid Box Management System *Python, Flask, MySQL, HTML, CSS, JavaScript*

- Developed a web-based Smart First Aid Box Management System to automate medicine inventory, inspection, and QR-based tracking across multiple first aid boxes..
- Implemented role-based dashboards for Admin, Medical Officer, First Aider, and Owner with secure authentication.
- Designed a MySQL database managing medicine records, inspection logs, and inventory history.
- Integrated QR code-based medicine usage logging, inventory tracking, low-stock alerts, and expiry notifications to improve operational efficiency.
- Collaborated with a team of three members throughout the software development lifecycle (SDLC) to design, develop, test, and deliver the project.

AI Healthcare Chatbot *Python, Flask, NLTK, Keras, HTML, CSS*

- Developed an AI-powered healthcare chatbot capable of responding to basic healthcare-related user queries using Natural Language Processing (NLP).
- Implemented text preprocessing, intent recognition, and response generation using NLTK and Keras.
- Built a user-friendly web interface using Flask, HTML, and CSS for real-time interaction with the chatbot.
- Applied object-oriented programming, machine learning fundamentals, and NLP techniques to develop an intelligent chatbot.

Software Development Intern

Hindalco Industries Limited

08 May 2026 – 09 Jun 2026

Hirakud, Odisha

- Developed a Smart First Aid Box Management System to manage inventory across 10+ first aid boxes using Python, Flask, MySQL, HTML, CSS, and JavaScript.
- Designed and implemented 4 role-based dashboards for Admin, Medical Officer, First Aider, and Owner.
- Implemented QR code-based inventory tracking, medicine usage logging, and notification modules.
- Collaborated with a team of three members throughout the software development lifecycle (SDLC) to design, develop, test, and deliver the project.

Artificial Intelligence and Machine Learning Trainee

Central Tool Room and Training Centre (CTTC)

15 Jun 2023 – 14 Jul 2023

Bhubaneswar, Odisha

- Completed an intensive training program in Artificial Intelligence and Machine Learning.
- Worked with Python programming and machine learning libraries for data analysis and model development.
- Learned supervised learning, unsupervised learning, natural language processing, and computer vision concepts.
- Developed a Face Recognition Attendance System as the course project.

Python Intern

Twintech Engineering and Design Technology Pvt. Ltd.

10 Aug 2022 – 10 Sep 2022

Bhubaneswar, Odisha

- Completed a one-month internship focused on Python programming and web development.
- Developed a Python Chatbot using NLTK and Keras.
- Applied Python concepts including data structures, functions, object-oriented programming, and Flask.
- Gained practical experience in Natural Language Processing (NLP) fundamentals.

CERTIFICATIONS

- **Ethical Decision Making for Success in the Tech Industry** – University of Colorado Boulder (Coursera) Mar 2026
- **Business for Good: Fundamentals of Corporate Responsibility** – London Business School (Coursera) Mar 2026
- **Corporate Governance** – Coursera Mar 2026
- **IT Infrastructure & Surveillance Webinar** – Persistent Networks Pvt. Ltd. Apr 2024

LANGUAGES

- English – Intermediate Proficiency
- Hindi – Professional Working Proficiency
- Odia – Native Proficiency
